

# ***RECOVERY COUNCIL BLUEPRINT TASKS TO BE COMPLETED:***

## **EVALUATION:**

**Date On Hold By State** Develop a recovery evaluation plan and methodologies which are coordinated with MDCH outcome measurement initiatives and considers working with outside consultant(s), including:

- Develop measures for individual consumers, individual practitioners, and organizations.
- Develop measures that include baseline and ongoing measurement.
- Link the measures to governance Ends policy.
- Develop toolkit for the evaluation of programs to determine the degree to which programs reflect recovery values, practices and outcomes (program plans).
- Train stakeholders including consumers, family, provider/staff in the use of tools used in evaluation.
- Develop a plan to share information with intended recipients.

## **MANAGEMENT:**

**11/1/08** Develop a policy which defines recovery, building upon the recovery blueprint to present to the CEO

## **INTEGRATION:**

**2/1/09 (With input from Clubhouse/Drop-In programs)** Define the most critical existing community resources to consumers and make a plan to collect, maintain and share information in 2-county clusters where currently unavailable.

## **COMPREHENSIVENESS:**

**9/1/09 (Prioritization)** After identified by contract managers, prioritize contractual community partners who are necessary to support recovery within our communities.

**9/1/09 (Prioritization)** After identified by Deb Lavender, Ken Brehmer, and Katie Deller, prioritize our community partners with coordination agreements who are necessary to support recovery within our communities.

**7/1/09** Identify and prioritize other community partners who are necessary to support recovery within our communities.

**11/1/09 (Prioritization)** After identified by contract managers, create strategies to strengthen relationships with partners (jobs, housing, education, social, faith-based, physical health care) and assist them in promoting recovery principles.

## **ADVOCACY:**

**4/1/09** Develop advocacy plan which involves consumers and families to be self-advocates and promotes recovery in the community.

## **TRAINING:**

**1/1/09 (Have Started)** Develop Recovery 101 course objectives (e.g., utilizing recovery stories, recovery statements/definition, WRAP curriculum).

## **ACCESS:**

**2/1/09** Study and potentially revise access policy/process to be more consumer friendly and welcoming.
