
Title 1	Northern Lakes Policies
Part 103	Managed Health Division
Subpart A	Network Administration
Policy No.	103.103
Subject	Continuous Quality Improvement

Applicability

Policy applies to all MHD staff, NLCMH staff, and contract and network providers.

Policy

The Northern Lakes CMH Managed Health Division will monitor provider network members to ensure that they have an appropriate quality improvement system and that supporting documentation is available (as requested) to MHD personnel. Examples of supporting documentation include having a quality improvement policy(ies), an annual quality improvement plan, and an annual review of the same plan.

The Quality Improvement standards required by the Michigan Department of Community Health will be used to monitor and evaluate providers.

Procedures

None.
